# 2017 World Cable Assembly Market

Report: P-799-17  
Published: April 2017

This **2017 World Cable Assembly Market** report offers an in-depth analysis of this growing and thriving industry. The worldwide cable assembly market will grow at a compound annual rate of 6.2% from 2017 to 2022. No worldwide recessions are projected during this timeframe and regional GDP growth was used as the primary basis for the projections of the industry growth. Worldwide market share in the cable assembly market is beginning to stabilize and the shift overseas has slowed. The fastest growing market segment is Telecom/Datacom with a five-year CAGR of 7.7%. This market growth is primarily the result of the growth of mobile devices and the need for expanded network infrastructure. The automotive market, the largest cable assembly market sector, also continues to grow and to spur growth in the industrial sector. After two decades of strong growth, China's cable assembly industry is now the largest in the world holding a market share nearing 29%.

This 17-chapter, 225-page report provides a detailed analysis in US dollars for the years 2016 through 2022, by region, end-use equipment sector and cable assembly type. Our analysis is provided numerically and graphically, allowing the reader to easily view and understand upcoming trends.

The **2017 World Cable Assembly Market** report includes analyses of important factors impacting the worldwide cable assembly market, as well as the economic trends and technology affecting each market sector within individual regions.

Benefits realized from this report include:

- A better understanding, in US dollars, of the size of the cable assembly market by region, market sector and product type.
- Insight into five-year growth rates by region, market sector and product type, allowing the reader to adjust, or realign, current business strategies to maximize future sales potential.
- A greater appreciation for the underlying economic elements that are driving and shaping the various market sectors.

The following tables and graph, with numbers redacted, show the type of analysis included in this report.
