

The Bishop Report

Covering the Performance and Forecast
of the World Connector Industry

The Bishop Report

Monthly Newsletter Covering the World Connector Industry

A monthly newsletter from Bishop & Associates Inc., a global leader in the connector industry market, **The Bishop Report** summarizes the performance of the electronic connector/interconnect industry. Each month, the report provides:

- The orders and sales performance of the overall industry including sequential, year-over-year and year-to-date data.
- Orders and sales performance of the industry by region of the world including sequential, year-over-year and year-to-date data.
- Major economic trends in each region of the world.
- The impact of currency exchange rates on the industry by region of the world.
- Major significant events that have occurred in the industry.

Each quarter **The Bishop Report** examines:

- ✓ Industry performance over the last quarter and the sales forecast for the remainder of the year. Data is analyzed by quarter, by region of the world and by end-use equipment market sectors.
- ✓ Quarterly results of public OEMs that purchase and/or consume the majority of the world's connectors. Our *How's Business?* OEMs reports on the sales and profit performance of over 120 companies in 13 market sectors that impact the industry.
- ✓ Timely articles on industry lead times, pricing trends, technology advances, acquisitions, and more.

As a subscriber, you will receive:

- ✓ Twelve issues of *The Bishop Report*
- ✓ 50 to 60 news briefs each year on subjects including the connector confidence index, the connector price index, comparisons of the connector and semiconductor industry performance, the quarterly performance of major public connector companies like TE and Amphenol, and more.
- ✓ Access to the Bishop Report subscribers archive on our website. This provides easy access to the latest *Bishop Report*, all news briefs, our current industry forecast and our monthly indices results.

Who should read *The Bishop Report*?

- ✓ Connector company managers – to understand industry trends and to analyze how your company compares to the industry
- ✓ Raw material and connector component suppliers
- ✓ Contract manufacturers and cable assemblers who participate in the connector industry
- ✓ Purchasing managers from OEMs that use connectors
- ✓ Investors in public connector companies
- ✓ Private equity companies

The Bishop Report is offered in three subscription levels:

The Bishop Report (Single-User License):	\$1,150
The Bishop Report and Connector Industry Yearbook (Single-User License):	\$1,750
The Bishop Report and Connector Industry Yearbook (Multi-User Corporate License):	\$2,950

The Connector Industry Yearbook

The Connector Industry Yearbook is a 200-page research report that provides a ten-year history of the connector industry's financial performance. The report establishes benchmarks on key financial measurements, such as COGS, Net Income, Return on Equity etc.
